Dear JWS Colleague,

Congratulations for choosing Joseph Wealth Systems as a Multiple Stream of Income Solution. Your decision to work with this fine company may be one of the most important and life-changing decisions you will ever make.

I have conducted an independent review of JWS and have thoroughly investigated the company's financials, business structure, compensation plan, product distribution and customer service. I have discovered that JWS is uniquely positioned to deliver the high value products they offer because of long-standing relationships in the precious metals business.

In my 30+ years in the Network Marketing business, I have not seen a better nor more unique opportunity for the individual who is seeking an effective and proven method for building wealth. The Directors and Management team at Joseph Wealth Systems have put together a powerful wealth creation opportunity for you that can lead to new freedom in your life.

Best wishes for your success!

Sincerely,

Rod Cook, President
